### DIRECTOR'S NOTE

Dear Library Community,

I invite you to review this annual report snapshot covering the period of July 1, 2023-June 30, 2024. During that time, Library Trustees, Staff and Community Stakeholders worked to craft a strategic plan that will lead Cromaine into the future, while celebrating and preserving the history and character of Hartland's past.

As we move forward, the strategic plan will serve as a roadmap to help Trustees and Staff improve spaces, inside and out, invest in people and resources, and extend outreach and awareness of Library services. Each of these strategic directions will help the Library continue to offer a blend of traditional and innovative resources and programming for all generations, in a useful, friendly and welcoming space.

As we reflect on the year's achievements and look ahead, we remain deeply committed to enhancing the quality of life in the Hartland area, ensuring that our historic Library continues to be a place where history is honored and the future is inspired. We are proud to be the place where neighbors choose to come to connect, students to explore and learn, and families to grow and discover.

- Sarah Neidert
